

## Clinical Contract Quality Metric Tracking Tip Sheet

### Definitions:

- Clinical Contract –
  - Contracts related to the provision of care, treatment and services provided to the hospital's patients.
  - Services that would normally be provided by hospital staff but are provided under contract

### Examples:

- Outside agencies conducting preventive maintenance
- Contracted professional services provided to the organization (CRG, Anesthesia)
- Contracted agency staff (nursing, food services, EVS)
- Organ transplant procurement
- Blood products

### Quality Metric Tracking:

- Go to SharePoint site "SFHS Leadership"
- Go "Documents"
- Access "Clinical Contract Quality Metrics" folder
- Access "FY2025 Clinical Contract Metric Tracking" spreadsheet
- Complete spreadsheet
- Save As: FY2025\_Department-Vendor
